

Terms and Conditions:

This agreement comprises of the contract page and the conditions defined below.

Declarations

By signing this agreement,

- You declare that you are at least 18 years of age: and
- You are the registered proprietor of the property i.e., installation address, or you are authorized by all registered owners to enter into this agreement and Avant Solar Energy is entitled to rely on this declaration without making any further enquiries
- You have never received or been approved for any solar credit or STCs (**Small Scale Technology Certificate**) for small generation systems at the installation address and you have read and agree to and acknowledge to the provisions of this agreement.

STC (Small Scale Technology Certificate)

You agree to assign, value of the STCs specified directly to Avant Solar Energy or as directed by Avant Solar Energy. If you are in breach of a STCs regulation, you agree to indemnify Avant Solar Energy from all liabilities and costs whatsoever. You acknowledge that the prices of STCs are subject to market movements and REC guidelines, if the prices of the STCs drop significantly the deposit paid by you will be refunded in full. You acknowledge that Avant Solar Energy is not liable or responsible for the STCs incentives or for any bonus scheme or feed in tariff incentive administered by any authority.

Authority of Installation and access

You authorize Avant Solar Energy or its appointees full and unrestricted access to the installation address during reasonable hours to deliver the system and components, site inspections, documentation, delivery and agree to assist Avant Solar Energy in carrying out any of these or related tasks such as installation. You must be present throughout the installation and commissioning of your system with your chosen installer and at the completion. You agree to declare, sign, and assign the STCs and any other relevant documentation to Avant Solar Energy. Provide any information about your property that is relevant to the installation. Ensure that any information you give us is accurate and complete.

Accredited Installers

To ensure your system meets industry best practice and all relevant Australian Standards, Avant Solar Energy agrees to only engage Clean Energy Council accredited independent licensed electrician ("installer") to install your system. Avant Solar Energy will NOT be held responsible for any loss or damage you suffer because of any inadequacies or lapses of insurance policies, or any other reason whatsoever related to your retaliation.

Avant Solar Energy agrees to take full liability and responsibility for any damage or loss caused to your property because of the Installer's actions, omissions, workmanship, or negligence. You agree that all such claims for damage or loss to your property must be directed to Avant Solar Energy and any legal proceedings commenced must include you and Avant Solar Energy.

Payment

Full and final payment is required on or before the delivery of good and or installation. EFT payment receipt must be provided to Avant Solar Energy at least 1 clear business day prior to the installation date unless otherwise noted in this agreement. Failure for whatever reason to pay the balance in full when due will incur an additional fee of \$200.

Payment Plan

You may apply to pay the Purchase Price under a Payment Plan. Avant Solar Energy may refuse your application at its absolute discretion. If Avant Solar Energy accepts your application to pay under the Payment Plan you must:

- Pay the remaining balance over the agreed instalment period via direct deposit from your nominated bank account as outlined in your agreement.
- The agreed instalments will commence upon completion of installation of your System by Avant Solar Energy.
- The Payment Plan may not be available in conjunction with any special offers, promotions and or discounts.

System Performance

For solar electricity, the performance of a System is subject to several variable factors, including, but not limited to the number of hours of sunlight, cloud cover and weather patterns, the location of the System and the location of the surrounding structures and flora.

Refunds

This agreement ends for any of the following reasons before we install a system at your premises, and we will refund all the money you have paid under this agreement.

- Within 15 days after accepting this agreement.
- If we haven't delivered and installed the system at your property within 8 weeks after the target date.
- If the price increase notice is given and you chose to end the agreement rather than accept the price increase.

Warranties

AVANT SOLAR ENERGY warrants that the installer of a system will be suitably qualified and experienced and will be duly licensed and registered. Avant Solar Energy will provide you with all relevant product warranties for your system. Without exception, when a Balance retracts unpaid to Avant Solar Energy then all warranty callouts for maintenance, service and repairs remain suspended until Avant Solar Energy receives the Balance in Full. Furthermore, when a Balance remains unpaid for 120 days, all warranties obligations by Avant Solar Energy are terminated and any callout for product service is payable by you. This provision does not negate the right for Avant Solar Energy to claim the Balance from you in a court or tribunal. No warranty on Freebies or Promo products.

Ownership

Legal ownership and title to the supplied system shall remain with Avant Solar Energy and not pass to you until such time as all money owed to Avant Solar Energy is paid in full.

Indemnity: You agree to indemnify Avant Solar Energy against all costs, loss or claim arising from or in connection with your breach or non-performance of this agreement or for the recovery of any Balance owed by you to Avant Solar Energy
Repossession and Costs: If payment is not received when due.
